About me

My name is Gianmarco Girardi, and **since I was 14** I have been studying and practicing what I find the most fascinating art in the world: **illusionism**, and **mentalism** in particular.

Over the years, I've learned one **fundamental** thing: the better you become at surprising others, the rarer it becomes to be able to surprise yourself. And that's precisely why I now recognize **how precious and special** that moment is when someone is **moved** by something seemingly impossible. My **goal** is precisely this: to provide an authentic experience of **wonder** to share.

Experiences

I offer various solutions to suit **different** types of events. You can choose **one or more** packages to make your experience **unique**.

Experience 1 - Mentalism Show

An engaging mentalism show, with a **customizable duration** (to be agreed upon with the client), suitable for audiences of **up to one hundred people**. Ideal for weddings, corporate conferences, birthdays, and private parties. The show also includes **active audience participation** and can be **customized** for the occasion.

Experience 2 - Close-up Mentalism

Close-up mentalism is ideal for those who want to be **directly involved** and experience something **intimate and unique**. These are **short performances**, for no more than **10-15 people** at the time. Ideal for parties, between courses at lunch or dinner, or standing at a cocktail hour.
